

COVID-19 Testing Privacy Notice

Ownership of the Personal Data

To enable the COVID-19 testing to be completed at Rushey Mead Academy, we need to process personal data for staff and pupils taking part, including sharing of personal data where we have a legal obligation. Rushey Mead Academy is the Data Controller for the data required for processing the tests and undertaking any actions which are needed by the school to ensure we meet our public health and safeguarding legal obligations.

The processing of special category personal data is processed under the provisions Section 9.2(i) of GDPR, where it is in the public interest on Public Health Grounds. This data is processed under the obligations set out in Public Health legislation (Regulations 3(1) and (4) of the Health Service (Control of Patient Information) Regulations 2002 (COPI)) which allows the sharing of data for COVID related purposes and where it is carried out by a health care professional or someone who owes an equivalent duty of confidentiality to that data.

Data Controllorship is then passed to the Department for Health and Social Care (DHSC) at the point that we transfer data about you and your test results to them. For more information about what they do with your data please see the COVID-19 App privacy notice - [Your data and privacy – NHS COVID-19 app support - NHS.UK](#)
