

Swan Lake Ballet Trip

On Wednesday 9th March Year 9 and 10 Dance pupils had the opportunity to go to De Monfort Hall Theatre to see Swan Lake, one of the most famous ballets of all time.

The quality of the Ballet dancer's movement and technique was of the highest calibre and simply beautiful. The original score by Pyotr Ilyich Tchaikovsky performed by a live orchestra was incredible and inspiring. All the Pupils really enjoyed the experience and the performance helped to consolidate and enhance their learning and understanding of technical and interpretive performance skills in dance.

'It was really good, the dancers were so amazing and beautiful' Krupa Dhanji 10MEM
